

Best Estate Agent Guide Awards 2019

Regional Awards Shortlist Sales & Lettings

The following single branch, small (2-5 branch) and medium (6-20 branch) sized agents have been shortlisted to win awards, which will be announced at the EA Masters event on 12th October 2018.

The shortlist for agents competing for an award in the Large and National agent category (defined as those with more than 20 branches, or operating across multiple regions), will be announced separately.

Agents not on this shortlist may still have some or all of their branches listed within the Best Estate Agent Guide. The full list will be published on 12th October on bestestateagentguide.co.uk.
